

Hello, my name is Wendy Mitchell and I will be teaching second grade this year. I am very excited to be team teaching with Mrs. Penney and joining the Rocklin Academy team. I have a love and passion for education and am looking forward to a great year.

I received my B.A. in child development from California State University, Sacramento in 1993. I worked in the early childhood field for six years but always wanted to fulfill my dream of teaching at the elementary level. In 2002, I returned to school and received my M.A. in elementary education with my teaching credential. I have taught kindergarten, first and third grades.

My husband Craig and I have three wonderful daughters. Samantha is 13 and will be an eighth grader this year. Madison is 12 and will be in seventh. Both attend Granite Oaks Middle School. Payton, my youngest is 9 and will be a fourth grader. We also have a cockapoo named Mojo who keeps us all on our toes.

When not in the classroom, I love to travel. I have traveled cross country 4 times and loved every minute of it. My daughters and I have a goal to visit all 50 states and only have 10 more to go. Who knows where our next adventure will be?

I am looking forward to working with Mrs. Penney and getting to know our students and parents. Together we will work to make this a wonderful year.
