Rocklin, CA 95765

Dear Dave:

The District has reviewed the Rocklin Academy Charter's ("the Academy") request for facilities for the 2006-07 school year. To grant this request for 17 classrooms at Ruhkala Elementary School ("Ruhkala"), the District would have to redirect Ruhkala students from their home school to other schools or revise the school boundaries to reduce the number of students attending Ruhkala. The District does not plan to do either of these options.

In order to give the Academy as much planning time as possible, this letter is to notify the Academy that the District will be reviewing availability of classroom space at other elementary schools for some of the Academy's classroom needs once the enrollment projections for 2006-07 are updated. Once the District has reviewed this information, District staff will contact you to schedule a meeting to discuss the site(s) available and grade configuration options.

Sincerely,

A handwritten signature in cursive script that reads "Barbara L. Patterson".
