The ACCS has unanimously recommended to the State Board to approve the material changes to the graduation requirements and the ability to serve grade six. The State Board is scheduled to act on the request on March 7 or 8. PSP and the Operations Committee have volunteered their input and assistance. A request was made that Rocklin Academy sixth grade families have their own Parent Information Night for parents of incoming seventh graders.

A motion was made to place the discussion of adding sixth grade into the Decision Making Matrix, including an information hearing, with a non-biased pros and cons presentation from the administration, of adding sixth grade to WSCA. The process will begin with an informal hearing at our March meeting and conclude with a final decision, if necessary, at our April meeting. This discussion is to potentially add an additional sixth grade at WSCA, but the Board will not have or consider any action to remove sixth grade from Rocklin Academy Turnstone or Meyers.
